Tree dedications and tribute benches are also placed in other locations around the Avow Hospice Whippoorwill Lane property, including near our inpatient facility, the Frances Georgeson Hospice House. Avow Hospice also has a pet memorial courtyard located near the Administration building. Each year, special ceremonies are held at Avow to dedicate new tributes. All proceeds from tribute donations benefit Avow Hospice.

Each brick measures 8" x 4" and can be engraved with your loved one's name or a special message. You may choose to have your brick placed in our Memorial Courtyard or shipped directly to you as a keepsake.

Plaques & Benches

In addition to memorial bricks, we also offer specially designed stone benches and personalized plaques for tree dedications. A variety of design options and payment plans are available; call the Advancement Department for more information at (239) 261-4404.

We invite you to order a personalized, engraved brick, tree plaque or bench to serve as a permanent legacy of the special bond between you and those who are dear to you.
